**WHAT IS A GENERIC JOB OPENING #GJO**

A generic job opening is a recruitment mechanism for the purpose of creating and maintaining viable rosters at all levels and job families, enabling faster recruitment in UN field missions.

**WHAT IS A #ROSTER**

A diverse pool of pre-assessed candidates who are available for immediate and anticipated job openings in peacekeeping operations, special political missions, and other field operations or entities in the UN Secretariat.

**WE ARE LOOKING FOR****EDUCATION**

University degree in political science, international relations, international economics, law, public administration or related field is required.

**EXPERIENCE**

10 years of experience in political science, international relations, law, disarmament, security, development management, conflict resolution or related area is required.

2 years of experience serving in or supporting a conflict or crisis situation and/or countries or regions in political transition is desirable.

**LANGUAGE**

Fluency in English is required.  
Knowledge of French and/or another UN official language is desirable.

**HOW TO BUILD YOUR APPLICATION**
